MESSAGE FROM MANAGING DIRECTOR

I take this opportunity to thank our valued customers, whose continued patronage and confidence in our products inspires us to extend the best of services and enables us to provide value for their money.

Being dedicated to taking our corrugation factory to a packaging unit , and focused at addressing the needs of our customers through rugged, efficient, reliable and economic products to our esteemed customer's in line with the best what industry offer's .

We are committed to total customer satisfaction by identifying their specific needs, translating them into Quality products and providing dependable after-sales-services. This commitment is the corner stone of our Quality Policy and we strive to achieve it by putting into place a Quality System, which adheres to the ISO 9001 Quality Standard

We plan to achieve this goal through our strength - the Employees; and seek their continuous involvement in achieving the Company's objectives.

I therefore, seek continued patronage of our valued customers, cooperation of our employees and thank our well-wishers who have contributed to the growth of the organization.

Mr. VIKAS GOYAL
(MANAGING DIRECTOR)
